

MAR - 22 - "WHITE EAGLE" - Episode #12. - "Win or Lose".
The episode opens with Phil Stanton a captive of one of the cowpunchers who made the attack on Ruth and himself. The cowpuncher finally leaves Phil in the plains to wander back to San Mario. Phil is picked up by the White Rider, who tells him that Ruth has escaped and started for San Mario and also that Julia and Loomis have left the Sacred Wampum in a vault in the San Mario bank. Phil hurries toward San Mario to find the girl and recover the Wampum.

But Ruth is at the ranch house with Standing Bear and Gray Wolf, who are both pleading for possession of the Golden Pool. The girl tells them that she cannot make her decision until the Wampum code has been read. Sheldon, representing a group of capitalists in the East, sends word for the girl to come to San Mario, as he has a proposition to make to her. Meanwhile, Phil has arrived at the little town and sees Julia and Loomis leaving the bank. By strategy he succeeds in getting into the vault, but is locked in by the cashier who is unmindful of his presence. When Ruth meets the capitalist she refuses him, and is locked in a room at the hotel. The proprietor visits her and tells her that she is his prisoner and that he is under orders to keep her until she will sign over the Golden Pool. But she tells him of Loomis' plan and suggests that she should know that the man is a gambler and suggests that they cut cards to decide her freedom. The man falls in with her plan and the cards are cut.
